

FIVE

IMPORTANT VOTING STEPS

1

CHECK YOUR REGISTRATION AND/OR REGISTER TO VOTE

The main reason people don't vote? Not being registered. Check your registration status and find info about voter registration in your state: <http://vote.health/WWV>

2 LEARN ABOUT EARLY & ABSENTEE VOTING OPTIONS

Make sure you have a plan to vote and explore your absentee ballot options if you can not make it to the in-person polls!

3 EXPLORE DAY OF VOTING OPTIONS

Not sure where your polling location is or what's on your ballot? Check-out <http://vote.health/WWV> to find your polling location and be Vote Ready!

4 RESEARCH THE CANDIDATES

Each vote counts towards your health and well-being! Research candidates on the ballot at <https://www.vote411.org/ballot>

5 TAKE ACTION AND VOTE!

Exercise your civic right by voting! Whether you vote in-person or by absentee ballot. Check key deadlines and make a plan to vote at: <http://vote.health/WWV>

The 2024 General Election is on Tuesday, November 5th
